

Old Testament Survey

The Old Testament comprises about three fourths of God's special revelation to us in the Bible. It is essential to understand God's progressive revelation of Himself through time as developed in the Old Testament Scriptures. This study will take an overall look at the Old Testament to fit the individual books into both the historical setting of God's revelation as well as the literary style of the different types of writing used in the Old Testament. The whole Bible is God's inspired word, and a proper understanding of the Old Testament serves to strengthen our faith in Jesus. Jesus, Himself once warned those who thought they were "experts" in the Old Testament, ³⁹*"You search the Scriptures because you think that in them you have eternal life; it is these that testify about Me;* ⁴⁰*and you are unwilling to come to Me so that you may have life."* John 5:39-40, NASB
